Sigit Tunggul Waskito

Front End Developer · 25 years old

By: Sigit Tunggul Waskito

ABOUT ME

A passionate web developer especially in **front end side**. Love to collaborate with people and work as a team. Eager to learn and teach others. Giving full spirit to every projects that I've worked for.

Most of my projects are internal company projects and **super secret** but I have developed few apps to share with you.

Hi, Sigit!   S

Samsung Launches 'Food,' an AI-Driven Recipe App

Samsung Electronics is releasing a food and recipe app powered by AI with 160,000 recipes readily available to users, the company announced on Wednesday. The app, called Food, builds on its previous acquisition of Whisk, a food database that Samsung acquired ...

ex: Nasi Goreng Tenis

Nasi goreng tenis adalah resep turun temurun dari keluarga kelurahan dan memiliki cita rasa yang unik. Kebanyakan orang ancur bilang ini memiliki rasa sip, tapi lebih sip lagi kalau tidak usah dimasak.
